Dear Mory's Member,

I am delighted to bring you good news about the *More Mory's Campaign*, a critical endeavor to strengthen and preserve Mory's. This summer, we crossed the \$5 million mark, thanks in large part to the Mory's Fellows, a group of nearly 100 leadership donors.

I hope you will join us in securing Mory's historic clubhouse, one-of-a-kind collection of art and memorabilia, and unique traditions for future generations of Elis.

The funds contributed thus far to the *More Mory's Campaign* have been used to make capital improvements to Mory's historic clubhouse, eliminate legacy obligations, create a liquidity fund, and start an endowment, managed by the talented team at Yale Investments.

New gifts to the campaign will support the preservation of Mory's historic building and collections, and grow the endowment for future needs.

As you know, Mory's serves as a *de facto* student lounge, alumni hub, faculty club, parent center, and is home to the most extensive print and digital collection of Yale Athletics on campus. Your investment will ensure that Mory's distinctive property, collections, and extraordinary fellowship remain a core part of the Yale experience.

Thank you for joining this historic campaign. With your help, we will close the campaign at the end of the calendar year, assured that Mory's will be well preserved for future generations.

Warmly,

Thomas B. Ketchum '72
President
Mory's Preservation, Inc.

P.S. I hope you'll visit Mory's soon to see what a vibrant and inviting addition it is to the Yale campus. In the meantime, we're pleased to bring "the tables down at Mory's" to you in coaster form!
